ResCap Fee Application

Dear Judge Glenn:

We have been instructed by debtors' counsel to provide to chambers a copy of our firm's response to the U.S. Trustee's objection to our fee application. That response is enclosed. We have since spoken with the U.S. Trustee's office and amicably resolved the objection.

Respectfully,

Jantra Van Roy

Dear Sirs,

I write in response to the United States Trustee's ("UST") objection to my recent fee application.

The UST objected to the allowance of \$1,073.90 of our firm's fees because of transitory timekeeper billing. I concede that objection, but will be pleased to explain the nature of the advice rendered that resulted in that "transitory timekeeper" billing if you would find that useful.

The UST also objected to the allowance of \$1,453.32 in expenses described as "Lawyers Service" and "Advertising Fee." I apologize for the lack of clarity in my description. The invoices are attached. The advertising fee was for newspaper advertisements for a foreclosure sale in a matter called "George Guldi" which was very hotly litigated (Mr. Guldi is now in prison) and the sale was finally conducted and was successful. The "lawyers service" is United, which files certain motions and obtains certain court orders and the like at a very favorable rate.

I hope that you will be able to call me so that I can make you comfortable with all of this, and provide anything else you may find useful. (It is more important to me that you see the back-up for the expenses for which we sought reimbursement than it is that we actually recover them, although I do believe that reimbursement would be fair since our firm actually made these payments.)

Thank you for your time on this.
Jantra
